ORDER APPROVING FEE APPLICATION AS MODIFIED

This matter came before the Court upon the *Amended Application for Final Compensation for Main Case* (the “Amended Application”) [Dkt. No. 201]. The Amended

Application requests approval of \$4,291.50 in fees and \$80 in costs. No timely objection to the Amended Application was filed. The Court conducted a hearing on the matter on April 5, 2023.

Although the Amended Application corrects errors made in the initial *Application for Final Compensation* [Dkt. No. 196], the Court still finds it difficult to discern the total fees and costs owed and reconcile them against the attached invoices. While the Court takes no issue with the reasonableness of the charges, it is critical that fee applications be easy to understand. This is not only helpful for the Court's own review, but it also importantly affords the debtor a meaningful opportunity to review the charges. During the April 5, 2023 hearing, Attorney Justin Schantz and the Court walked through the Amended Application together. It was determined that the total amount of allowable compensation owed is \$4,291.50. This number represents \$9,211.50 in fees and \$390 in costs, less \$5,310 already paid.

Based on the foregoing, it is hereby **ORDERED, ADJUDGED, and DECREED** that the Amended Application is **APPROVED** as modified, for the total amount of **\$4,291.50** for services rendered on behalf of the Debtor, representing \$9,211.50 in fees and \$390 in costs, less \$5,310 already paid.

Any fee balance approved by this *Order*, beyond the amounts approved in prior confirmed plans, shall be paid after, and shall not reduce any monies due to creditors under the confirmed plan including the distribution to unsecured creditors up to the plan base. To the extent that funds have been paid by or on behalf of the Debtor beyond the plan base, the chapter 13 trustee is authorized to increase the plan base to be used solely to pay the attorney fees and costs approved by this *Order*.

The Clerk shall record the total award of compensation in the amount of \$4,291.50.
